Footprints Edition

NO RUNNING

Walking means there is always a foot on the ground. This one is a safety rule, not a game rule.

How the night works

1

Do the tasks on your card

Find a counselor to stamp each one. Four counselors, four different stamps.

2

Hit tonight's target

Your card is worth more than you need. You pick which tasks to do.

3

Survive

Three of you are imposters. A tap on the shoulder with a spoon and you are dead.

Two rounds tonight — maybe three if we have time.

Your Card

Everything you need is printed on it

YOUR CARD

What is on your card

11

POINTS AVAILABLE

- Six tasks. Each one is worth 1, 2 or 3 points.
- You do NOT need all six — pick any combination that reaches tonight's target.
- Your GROUP NUMBER is in the top right corner. You will need it.
- If you die, there are extra boxes at the bottom for origami.

The Tasks

Easy, medium and hard — you choose

EASY

Worth 1 point

1

Doors

Copy the two letters posted for YOUR ROW at all seven doors.

1

Gospel & Theme

Your card gives you a word. Find the box whose sentence it completes.

Every card has both of these.

MEDIUM

Worth 2 points

2

Simple Maze

Take one sheet, solve it, show any counselor.

2

4×4 Sudoku

Take one sheet, fill in 1 to 4, show any counselor.

2

Cup Stack

All 15 cups — then reset the lane before you leave.

2

Apple Stack

Three apples, standing on their own for three full seconds.

2

Special Delivery

Carry a red ball between the lobby and the dead room.

HARD

Worth 3 points

3

Find the Verse

Three references on your card. Look each one up in a pew Bible and write down the page number.

3

I Can Fly

Make a paper plane that flies past the far line. Unlimited tries.

Every card has exactly one 3-point task.

Doors

Four doors upstairs, three downstairs

U1 U2 U3 U4 upstairs. D1 D2 D3 downstairs. Each has a sheet taped to it.

Find YOUR group number on the sheet

Your row is your group number. Everyone's row is different.

Copy BOTH letters

Two letters per door, fourteen in total. Write them in the boxes on your card.

Copying your friend's answers will get you fourteen wrong letters.

1 POINT

Gospel & Theme

Your card gives you a word

- GOD · PAYING · OUR · EVERYONE · SINS · LIFE
- One of these is printed on your card.
- It is the first word of one of the six sentences.

Six boxes, six sentences

- Each box shows a sentence with the first word blanked out.
- Find the one YOUR word completes.
- Take one card and show it to any counselor.
- Wrong box, no stamp.

Special Delivery

Carry one ball

- Your card tells you which way: lobby to dead room, or dead room to lobby.
- Hand it to the counselor at the other end. They stamp your card.
- Hand off AT THE DOOR of the dead room. Do not go inside.

No ball there?

- Go to the other station, take one, and bring it back.
- That round trip still counts.
- No ball anywhere? Go do something else and come back.

If You Are An Imposter

Three of you. Nobody else knows.

IMPOSTERS

The kill

1

Tap them with your spoon

Shoulder or upper back only. Nothing else, ever.

2

Say nothing. Keep walking.

Do not react, do not look back, do not smile.

3

Count silently to twenty

That is your reload. You cannot kill again until you finish counting.

Do real tasks. Get real stamps. Your card should look exactly like everyone else's.

Sabotage: Lights Out

1

Tap any counselor with your spoon

They wait a few seconds, then the lights start going down.

2

Central Command calls five supplies

FUSE, BATTERY, KEYCARD, O2 TANK, WRENCH, REACTOR ROD — each one taped at a door.

3

The crew has two minutes

ONE ITEM PER PERSON. Five items means five different people. Nobody runs.

Crew fails: two more deaths and ninety seconds off the clock. Crew wins: a whole extra minute.

When You Die

It is not the end of your night

When you die

1

Lie down where you were tapped

Against a wall. Never in a doorway, never on the stairs. Stay silent.

2

Wait to be found

No pointing, no eye contact, no laughing. Someone will come.

3

Then go to the dead room

When you hear EMERGEN-C, get up and walk straight there. You do not go to the meeting.

4

Fold origami for points

GREEN 2 points. BLUE 3 points. One sheet at a time. You still need tonight's target.

Dying slows you down. It does not excuse you.

Emergency Meetings

The only way to catch an imposter

EVERYONE

You found a body

1

Say nothing at the scene

Yelling here tells the whole building which hallway the body is in.

2

WALK to the lobby

Walk. Then, the moment you cross into the lobby, yell EMERGEN-C.

3

Everyone echoes and comes in

If you hear it, yell it, and walk to the lobby.

There is no button this year. Finding a body is the only way to call a meeting.

THREE MINUTES • HARD STOP

The meeting

1

The report — 30 seconds

Silence. The finder says three things: where the body was, who they saw, who they suspect.

2

Nominations — 90 seconds

“I nominate ____ because ____.” No second, and the accusation dies.

3

The corners — 30 seconds

Each nominee gets fifteen seconds to answer their accuser.

4

The vote — 30 seconds

Walk to a corner to eject. Stand dead centre to skip. Biggest corner wins, ties eject nobody.

Ejections are revealed on the spot — a crewmate ticks the death count, an imposter doesn't.

How It Ends

How it ends

The crew wins

- Every crewmate reaches tonight's target — living and dead.
- Ghosts count. Their origami points count.
- Finished early? Keep working your card. Keep moving.

The imposters win

- The death count on the whiteboard hits the threshold.
- A Sabotage fails badly enough to run the clock out.
- The round clock reaches zero.

is death”**

NO RUNNING

One foot on the ground. Always. Have fun out there.
